Senior Analytics Engineer with 6+ years building scalable, self-service data products and pipeline infrastructure across large-scale commercial organisations. Specialises in data pipeline engineering, data quality frameworks, and CI/CD standards - using dbt, Airflow, BigQuery, and Looker - to deliver reliable data products that drive quantifiable commercial value. Track record of championing data literacy, governance, and best practices in data product development across cross-functional teams.

PROFESSIONAL EXPERIENCE

Vinted GmbH, Berlin (Germany) & Vilnius (Lithuania)

Senior Analytics Engineer, Shipping Finance Lead

2023-08 - 2026-03

- Owned shipping finance data pipeline engineering and orchestration (**Apache Airflow**), applying **CI/CD** standards and end-to-end monitoring (freshness, completeness, metric drift) to maintain data product reliability at scale.
- Implemented data quality frameworks - **dbt** tests, reconciliations, anomaly detection - reducing misstatement risk by 90% on €40m.
- 75% faster pipeline runtimes and 15% lower costs through **BigQuery** performance and cost optimisation, while maintaining SLAs.
- Championed data cataloging via **OpenMetadata** - scoping priorities, led UAT - improving metadata and data discoverability.
- Recovered €1.6m in carrier overcharges by embedding risk-based assertion checks, enabling autonomous detection of discrepancies.

Tourlane GmbH, Berlin (Germany)

Data Analyst, Finance Lead

2022-07 - 2023-08

- Built a centralised data transformation layer in **dbt** and **Snowflake**, integrating data from Salesforce, Stripe, Twilio, and backend systems to power finance and operational analytics.
- Designed and ran an **internal data bootcamp**, training business teams on **SQL** and analytics tools to drive self-serve data adoption.
- Partnered with data engineering and business teams to harden data pipelines, improving SLA attainment from 88% to 97%.
- Led finance reporting transformation using **Looker** dashboards and iterative delivery, saving 5 FTE days per month in the month-end close process.

LucaNet AG, Singapore & Paris (France)

Senior Finance Transformation Consultant

2020-03 - 2022-03

- Led 11 finance digital transformation projects for listed companies across APAC, from requirements to go-live.
- Designed solutions using **LucaNet** and **PowerBI** to augment Accounting Consolidation & Budgeting with 50% time savings.
- Conducted instructional sessions to onboard clients to the solution design, achieving a satisfaction rating of 4.5/5.

Keppel Corporation Ltd, Singapore

Finance Analyst

2019-07 - 2020-03

- Developed **Power BI** and **Tableau** dashboards to assess the performance of 140 staff across 5 process areas.
- Streamlined service delivery reporting across 300 entities in 6 business units by coordinating cross-functional stakeholders.
- Automated processes using **UiPath** and **SAP**, resulting in time-savings of 50 man-hours per month for higher-value analysis.

VOLUNTEERING EXPERIENCE

Soap Cycling (Singapore) Ltd, Singapore & Hong Kong

Board Member and Director, Finance

2018-08 - Present

- Led the expansion and managed 30 interns over 3 years to initiate Soap Cycling's operations in Singapore.
- Executed regulatory compliance – e.g., preparation of the company's financial statements and year-end audit.
- Designed Looker Studio dashboards for impact, operations, and finance reporting to inform board-level decision-making.
- Co-planned a fundraising cycling trip for 30 participants in Guangdong, China, raising HK\$90,000 for SCHK.

ReDI School of Digital Integration, Berlin (Germany)

Instructor, Python and Data Analytics

2023-03 - 2025-06

- Teaching 60 students over three semesters in the courses “Python Foundations” and “Introduction to Data Analytics” (Python, SQL) at a non-profit tech school that provides migrants and marginalised individuals free and equitable access to digital education.

EDUCATION AND AWARDS

École Supérieure de Commerce de Paris (ESCP) Business School, Paris (France) & Berlin (Germany)

Master of Science in Big Data and Business Analytics (Mention Très Bien)

2021-09 - 2022-12

- Graduated as Valedictorian; awarded French Excellence Master Scholarship (Embassy of France in Singapore).
- Best Thesis Award: “A Natural Language Processing (Topical and Sentiment) Analysis of Sustainability Reports and its Relationship with Corporate Financial Performance: Empirical Evidence from Singapore's Listed Companies”.

Nanyang Technological University (NTU), Singapore

Bachelor of Accountancy (Highest Distinction)

2016-08 - 2019-07

- Awarded Dean's List for Academic Year 2016/2017 and received Isetan Foundation Scholarship and Temasek Foundation International Leadership Enrichment and Regional Networking (TFI-LeaRN) Programme for Exchange at University of Hong Kong.
